Fair Facts Game

As you enjoy the Fair play the Fair Facts Game.
Stop by the Info Booth and pick up your game piece.
The answers to the game are scattered around the
Fairgrounds on signs in the different buildings.
Complete the game and return the game piece to the
Info Booth to receive a prize for completing the
game. Everyone who plays the game will win a
prize. The grand prize winner will be determined
after the Fair and your prize will be mailed to you.

Collect your Fun Buttons!!

Start collecting your FUN BUTTONS now. Go to
the Fair Restaurant or Small Animal Barn to pur-
chase your FUN BUTTON bracelet for \$1.00. Then
go to the different departments, find the person with
the "Fun Button ASK ME RIBBON" and tell them
you are there to collect a FUN BUTTON. They will
ask you a question and you have to answer the ques-
tion correctly. The answer will be somewhere in that
department. Look around the department for the
answer and then go back and tell them the answer to
receive your FUN BUTTON. Complete instructions
will be in the Fair Restaurant and on the kiosks.

What do you think?

Each building will host a contest for their depart-
ment (How many jelly beans are in the jar?), etc.
Write down your guess on a piece of paper along
with your name, complete address and phone num-
ber. The closest guess without going over wins. You
may enter each department's contest. There is only
one winner per contest. In the event of multiple cor-
rect guesses, the entries will be placed back into the
ballot box and a winner will be drawn at random
from the correct guesses.
Winners will be determined after the Fair.
The Jefferson County Fair Association will contact
the winner of each contest and award them with a
special gift certificate. Be sure to fill out the form
completely so we can mail you your prize after the
Fair.
